

Lift Attendant

Description

Do you love exploring and playing in the great outdoors, making new friends, hanging around the campfire, fishing, hunting, skiing, snowboarding and snowshoeing?? Well, we have that and more. Asessippi Ski Area and Resort is a year-round resort located between Regina and Winnipeg. MB. If you are up for the challenge and require space away from city crowds this is a fantastic place to work. Staff accommodation is available so your dream of living in the prairies is part of the adventure. It is just like the mountains without the elevation.

The Lift Operator is part of the Outdoor Operations Team. He/She is responsible for operating aerial and surface lifts, safely loading/unloading all passengers and greeting and assisting all Asessippi's patrons at the lifts in a friendly manner. This is important as the Lift Operator is often the first point of contact for guests on the hill: it is vital to leave a good impression. They are responsible for completing and recording all daily lift checks and maintaining mazes, ramps and head traps. They must also carry out assigned duties such as lift rotation and ramp maintenance and other duties as assigned. Asessippi has three chair lifts, one magic carpet, a tow rope and tubing park. Lift attendants are required to be trained and work at all lifts throughout the season.

The applicant should expect to be working outside in any, all and sometimes adverse weather conditions.

The resort is closed Christmas day however most staff will be required to work Christmas Eve and New Year's Eve and throughout the Christmas holidays.
