

## Asessippi Ski Club

- Training runs Saturdays and Sundays from 9:30-3:00. Families can choose to train both days (older kids) or just Saturdays (U12 and under).
- They work on skill drills, racing gate training, and some Freestyle skills.
- 2022-2023 Fees:
  - \$550 for one day or \$725 for two
  - includes registration and insurance in MASD and SK Freestyle, coaching, and the use of a club jacket for the season
- Athletes must have a lift ticket and equipment, which is not included in that fee.
- We offset our fees with some fundraising to keep our fees reasonable, including a fish sale (odd but surprisingly profitable), corporate sponsors, and a recycling drive.
- We generally ask that they be able to ride the lifts with minimal assistance and have solid brakes and steering under them.
- Equipment: boots, skis, poles, and a hard-eared helmet
- We have kids from 6-17 and they often mix ages and ski together, which is awesome for building mentorship.
- There are race events at Asessippi as well as events at other hills, usually including Minnedosa, Bottineau, Fort Qu'Appelle, and Springhill, though they are always optional.
- Our coaches are high energy and really focus on developing a love of the sport.
- Find us on Facebook and Instagram @AsessissippiSkiClub
- For more information, contact Jennifer Kingdon at [asessippiskiclub@gmail.com](mailto:asessippiskiclub@gmail.com) , call or text 306-435-6806, or come find us in the basement of the chalet near the Ski Patrol room.
